Fathers Day - '74
(June 16)

Dear Dad -

Just wanted to let you know how much I appreciate all that you've done for me. I know there were probably many times when you wondered how in the world I'd turn out, and probably ready to give up on me, but I know it was through your prayers and example that I am where I am today - a happy house-wife with 3 8/9's children of my own! I don't want to get gushy but I do want to thank you for patience, understanding and guidance.

Love,
Deanna

# big deals

Hi Dad ~

What you did for us was a BIG DEAL! Thanks so much for all the work you and mom did while you were here. I really didn't know what a BIG mountain was ahead and without your help it wouldn't have gotten done by this week-end. I'm finally beginning to see the end - even got rid of the green couches!! yeah!

Have a good Fathers day. Sorry I didn't get a chance to shop ~ Please use the check for whatever you like.

Love ~

Deanna
